

VAN COMMUNITY LIBRARY

FRIENDS OF THE LIBRARY

You are invited to be a
FOUNDING MEMBER
of this organization.

Library Hours:

Monday thru Friday: 9 A.M. – 12 noon
Tuesday and Thursday: 4 - 7 P.M.

The Van Community Library is "OPEN FOR BUSINESS" at the Van Community Center. Donations are being sought to provide long-term support for the general expenses for the Library, and to make immediate purchases needed for computer programs for book processing and circulation records.

As a result of the generous contributions from area patrons, the Van Community Library now has over 10,000 volumes ready to be checked out, both paperback and hardback, including a wide assortment of children's books. Video games and movies are also available for your use.

Our next task will be to file for accreditation with the North East Texas Library Association. Several steps are involved in this, and your help is needed to purchase some of the required systems and materials. Please show your support for the local library with your donation. Several levels of giving should allow for all to join the "Friends of the Library" at an appropriate level.
